(1903-1967) published his novel Alamut in 1938. Set in northwestern Persia of 1092, it was intended to be a metaphor for Europe of his own time, providing insight into the rise of formidable leaders Mussolini and Hitler. The novel was received with great interest and critical attention in Slovenia.

Vladimir Bartol | thezaurus.com
Alamut was a real place and the events did loosely happen, based around the time we would call the Crusades. The fact that the author never wrote another novel before or after despite being an academic says much. Clearly Bartol did a lot of research. Although much he wrote is a condensation of Alamut's history, as much as we know that is, it works.
