Physical Review B is celebrating its 50 th anniversary in 2020. The journal emerged out of its revered parent, The Physical Review, in response to the explosive growth of specialized physics content. It has excelled in front-edge coverage of condensed matter and materials physics research. As part of the celebration, in 2020 the editors are presenting a Milestone collection of papers that have made lasting contributions to condensed matter physics.

Adult Protective Services (APS) is dedicated to serving vulnerable adults. We investigate reports about abuse, abandonment, neglect, exploitation and self-neglect of vulnerable adults in Washington State. We collaborate with other agencies to offer protective services as needed. Our goal is to promote lives free of harm while respecting individual choice.
