Used Audi A4 review | Auto Express

Tight panel gaps, high-quality materials and firm, comfortable seating give the interior the proper European ambience, while a supple ride and willing performance make the Audi A4 a great road trip choice.

Read PDF Audi A4 Guide

Although those core characteristics have been part of the A4's personality since day one, this Audi -- which has traditionally been available in sedan, wagon and convertible body styles -- has become increasingly polished with each successive generation.
