Practice the basketball plays against live defense – I see many coaches get frustrated when their team can run the plays perfectly 5 on 0 at practice but then look like they 've never even heard of the plays during games. You must practice against real defenders if you want the plays to be effective in real basketball situations.

By design, a motion offense is supposed to be free form and interpretive. That does not mean it should be random or hap-hazard. Here are some quick hitter entries you can use to enter into your motion. A quick hitter is a play with one pass and maybe one or two cuts that are designed to get your scorer an open, early shot.
