Clara arrives, gagged, bound and bruised, she is assigned to Intake Cottage Number 7 and put under the strict but loving care of Nurse Ingrid. There she is washed, fed and dressed in childish clothing as Nurse Ingrid begins teaching Clara to submit obediently to whatever demands may be made of her. Clara doesn't know it yet but she is destined for the nursery of Lord Bardwick, a tall and demanding man who wants nothing more in life than a grown woman he may treat as a dependent child. The first step in Clara's training is learning to place herself, every evening and without complaint, across her nurse's knee, where her bottom will be bared and dosed with a large and uncomfortable suppository. On Childebride Island, naughty, willful girls who don't cooperate are punished immediately, and sound spankings and shaming with diapers are just some of the punishments meted out with alarming regularity. This first book in the saga of "Childebride Island: The Intake Cottage" is now complete, with two exciting new chapters. Read the full story -- seven very long chapters -- as Clara undergoes little-girl training for an exacting man who is determined to make her his own.

Horribly wounded after robbers murdered her dear father and left her for dead, the lovely young Atayla is alone and destitute in Morocco at the Tangiers Mission. So when her only friend, Father Ignatius, tells her of a French lady, the Comtesse de Soisson, who wishes to pay someone to escort her young daughter home to her estranged father, the Earl of Rothwell, she jumps at the opportunity. After a long and tiring journey, she arrives unannounced at Roth Castle with young Felicity and Atayla is dismayed by the violent unwelcoming reception she receives from the dashing but disdainful Earl, who assumes that she has some shady ulterior motive in coming to The Castle. Atayla is at the mercy of a man who hates her and soon it seems she is to be banished from The Castle and from the young girl she has come to care for. But then the Earl's passions are inflamed in a terrible misunderstanding and his hate is suddenly transformed to an all-consuming love.

Wandering dreamily through the Great Hall of Hampton Court Palace, the beautiful eighteen-year-old Zorina bumps into a startlingly handsome well-dressed young man who immediately steals her heart. Hardly able to take her eyes off his face, she finds herself exchanging tales with him of the ghosts that reputedly walk the Haunted Gallery. She shows him the many fascinating treasures of The Palace that she has come to think of as her own and then she finds that his name is Rudolf. And when he says to her, "Au revoir, Zorina, if you are the Spirit of Hampton Court, you are more beautiful than any Queen or Princess who ever graced it!", a heart-stopping adventure of love begins. Zorina has no idea who he is or where he is staying or even how to contact him, but she is counting the minutes until she can see him again. But then Queen Victoria makes an announcement that dashes all the hopes that are rising in her heart. As the daughter of a Princess, she is of Royal blood and therefore must marry the much older King Otto of the Balkan Kingdom of Leothia to stop their neighbours from taking over his country by force and also maintaining the Balance of Power in Europe. She has no choice but to marry the King no matter how her heart yearns for the handsome Rudolf. Little does she know, however, that Fate has another great surprise in store for her!

Our nation used to look at violence, poverty, and gentrification and assign those problems to urban centers. Today, these issues concern the suburbs, too. The Christian community is responding to this reality. Churches and parachurch ministries are actively working to transform lives and restore communities throughout the city and suburbs. In *A Heart for the Community: New Models for Urban and Suburban Ministry*, you will be challenged by a collection of voices seeking community renewal. These individuals are involved in creative church planting initiatives, and they are serving the growing Hispanic and Muslim populations. Additional endeavors include serving racially changing communities, economic development strategies, and more. As anyone who has been in ministry for any length of time can attest, tackling some of the most challenging issues of our times is no mere academic exercise. The voices within these pages write from experience and offer workable, vibrant models of ministry that make a difference.

Now that her beloved father has passed away and the family estate has been sold off to provide for her future, the beautiful young Zelina Tiverton is somewhat bewildered to find herself living amid the glamour of London's Social world with her Guardian, her glamorous Aunt Kathleen, who is the husband of the Earl of Rothbury. Now her aunt has a greater shock in store for her, announcing that she is sending Zelina to Russia to stay as Governess with Prince and Princess Volkonsky in their superb Palace to teach their children English. Clearly Aunt Kathleen simply wants Zelina off her hands as she is so pretty and so reluctantly she finds herself alone and unchaperoned aboard a Steamer bound for Stockholm en route to St. Petersburg. On board she meets the seemingly imperial Lord Charnock, one of the most handsome and overwhelming men she had ever seen, but also one of the most aloof. Unknown to Zelina, Lord Charnock is headed for St. Petersburg on an urgent and secret Diplomatic mission for the British Prime Minister, Lord Palmerston. And so Zelina, the innocent abroad, finds herself unexpectedly in a menacing and threatening world of Secret Police, spies, sinister intrigue and predatory Russian aristocrats with only the dashing Lord Charnock to protect her in an unknown and uncaring land.

serve she does, as he and the others have their wicked way with her. ~~~~~ PG Excerpt  
~~~~~ Remembering her quick induction to the service, Penny went to Lady Wiltshire first. The prim woman held up her glass and didn't acknowledge the lowly maid as she poured her glass like she had been instructed. Next, Penny attended to the guests; the army captain who looked down the front of her corset whenever he could; the tanned man, Henry, that stroked his moustache as he lounged in his seat; and finally, James Hollington, Lord Wiltshire's oldest friend. When Penny reached Hollington, he didn't hold his glass up. She faltered for the briefest of seconds, reaching forward to pour the wine directly into his glass when the man moved his arm to snatch for the glass. Everything happened in slow motion. The dark liquid splashed out of the wine bottle, colliding with Hollington's pearly white shirt, staining the fabric like blood would a wound. He looked down, Lady Wiltshire gasped and Penny knew she'd just earned herself her very first beating. The rest of the servants had disappeared, leaving the poor young maid under the sharp gaze of the dinner guests and her master and mistress.
