Saint Augustine of Hippo (Aurelius Augustinus, 354-430 CE) was the first major philosopher of the Christian era. He was the Bishop of Hippo Regius in Numidia during the waning years of the Roman Empire, and his most famous work, The City of God, described what he believed to be the cause of this decline.

Augustine of Hippo - Ancient History Encyclopedia

On the city of God against the pagans, often called The City of God, is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD. The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works, standing alongside The Confessions, The Enchiridion, On Christian Doctrine, and On the Trinity. As a work of one of the most influential Church Fathers, The City of God is a corn

The City of God - Wikipedia

Much like in Basil, we will see a view that the state has a duty to support God's laws, and a critique of the Roman Empire that inevitably comes from that. The focus shall be on book II of Augustine's work City of God, where the primary critique of this pseudo-secular society is to be found. To give context to the work of Augustine, the city of Rome had recently endured a brutal sacking that many pagans of the time blamed upon the rise of Christianity in Rome.

Augustine draws on the history of redemption, as well as his contemporary church in narrating the story of God's city. The first book of The City of God brings us immediately into his ministry. Here is a world of brokenness and suffering on a scale exceeding what most of us have experienced: [Christians were slaughtered and were put to death in a hideous variety of cruel ways.]

Augustine of Hippo - Credo Magazine

For, created gods are gods not in virtue of their own being but by a participation in the being of the true God. For, whoever seeks to be more than he is becomes less, and while he aspires to be self-sufficing he retires from Him who is truly sufficient for him.☪ Augustine of Hippo, City of God. 8 likes.

Augustine of Hippo | Christian History | Christianity Today

In this book the end of the two cities, the earthly and the heavenly, is discussed. Augustine reviews the opinions of the philosophers regarding the supreme good, and their vain efforts to make for themselves a happiness in this life; and, while he refutes these, he takes occasion to show what the peace and happiness belonging to the heavenly city, or the people of Christ, are both now and ...
