I'm hoping to find some info about a Colchester Bantam I picked up
today. I paid the grand sum of £300 for the Bantam - it's been sat in
someone's shed for years and gathered a significant layer of surface
rust.

Your manual should show this information. We sometimes buy scrap or
tired Colchester Lathes and ancillaries for stripping, so that we can
help keep old machines working when spare parts become obsolete.
Please don't send them to the scrap yard! We have broken the following
machines, as the following list, and many of the parts are still
available:
