Deborah Price left the financial services industry when she discovered that the best financial advice or plan couldn't help clients solve their core money issues. She went on to pioneer the field of money coaching because people's financial struggles are "more psychological and emotional than they are practical." Each chapter in *The Heart of Money* — on topics including breaking through taboos, learning the language of financial intimacy, assessing money patterns, understanding money "types," and facing setbacks and crises — is packed with strategies and exercises, as well as real-life coaching excerpts from Price's clients. Couples learn to get past secrecy, shame, fear, and ignorance to become a team working toward shared goals. Though money can't buy love, money issues can chip away at it. Price demonstrates how to co-create the kind of financial foundation that strengthens, rather than threatens, intimacy.

"Whoever does not love does not know God, because God is love."--1 John 4:8 Are you looking to enrich a healthy relationship, revitalize a tired one, or rescue one gone awry? Do you yearn to grow closer to God, and to further incorporate Him and His teachings into your marriage? We all want a lifetime of love, support, and faith. But sometimes we need a little help. Enter Dr. Sue Johnson, developer of Emotionally Focused Therapy (EFT) and "the best couple therapist in the world," according to bestselling relationship expert Dr. John

Gottman. In *CREATED FOR CONNECTION*, Dr. Johnson and Kenneth Sanderfer, a leading EFT practitioner in the Christian community, share Johnson's groundbreaking and remarkably successful program for creating stronger, more secure relationships not only between partners, but between us and God. The message of *CREATED FOR CONNECTION* is simple: Forget about learning how to argue better, analyzing your early childhood, or making grand romantic gestures. Instead, get to the emotional underpinnings of your relationship by recognizing that you are attached to and dependent on your partner in much the same way that a child is on a parent, and we are on the Heavenly Father, for nurturing, soothing, and protection. The way to enhance or save our relationships with each other and with God is to be open, attuned, responsive, and to reestablish safe emotional connection. Filled with Bible verses, inspiring real-life stories, and guidance, *CREATED FOR CONNECTION* will ensure a lifetime of love.

Finding the right man is just the beginning. Figuring out how to build a happy, rewarding, and long-lasting relationship is the next challenge. Financial strategies that help couples start off on the right foot Couples today face a far more complex financial environment than their parents could have imagined. *The Young Couple's Guide to Growing Rich Together* addresses issues unique to those just starting out--from limited incomes and college debt to home purchases, new babies, and more--and provides the knowledge and tactics necessary for juggling these financial responsibilities while also working on the nonfinancial aspects of a still-developing relationship. Featuring strategies that are both sensible and realistic, this financial planning guide explains how to tackle the smaller issues before they grow to take on a life of their own. Sample topics include: Techniques for combining personal budgets Determining whether a prenuptial agreement is appropriate How to address financial "differences of opinion"

This book is designed for people who are either in a committed relationship or want to be. A committed relationship is one path toward spiritual growth and transformation. It is not the only path, nor is it a very easy path. The seven spiritual laws discussed in Part Two of this book provide a roadmap for couples who are committed to their mutual spiritual growth. This simple but profound guide to growth and happiness for couples will help you and your partner weather the ups and downs of your relationship so that you can grow together and deepen the intimacy between you.

The definitive therapist manual for Integrative Behavioral Couple Therapy (IBCT)—one of the most empirically supported approaches to couple therapy. Andrew Christensen, codeveloper (along with the late Neil Jacobson) of Integrative Behavioral Couple Therapy, and Brian Doss provide an essential manual for their evidence-based practice. The authors offer guidance on formulation, assessment, and feedback of couples' distress from an IBCT perspective. They also detail techniques to achieve acceptance and deliberate change. In this updated edition of the work, readers learn about innovations to the IBCT approach in the 20+ years since the publication of the original edition—including refinements of core therapeutic techniques. Additionally, this edition provides new guidance on working with diverse couples, complex clinical issues, and integrating technology into a course of treatment.

Together you'll learn why couples who plan their finances together, stay together!

Heralded by the New York Times and Time as the couples therapy with the highest rate of success, Emotionally Focused Therapy works because it views the love relationship as an attachment bond. This idea, once controversial, is now supported by science, and has become widely popular among therapists around the world. In *Hold Me Tight*, Dr. Sue Johnson presents Emotionally Focused Therapy to the general public for the first time. Johnson teaches that the way to save and enrich a relationship is to reestablish safe emotional connection and preserve the attachment bond. With this in mind, she focuses on key moments in a relationship -- from "Recognizing the Demon Dialogue" to "Revisiting a Rocky Moment" -- and uses them as touch points for seven healing conversations. Through case studies from her practice, illuminating advice, and practical exercises, couples will learn how to nurture their relationships and ensure a lifetime of love.
