Iran: A Modern History by Abbas Amanat. This history of modern Iran is not a survey in the conventional sense but an ambitious exploration of the story of a nation. It offers a revealing look at how events, people, and institutions are shaped by currents that sometimes reach back hundreds of years.

30 Must-Read History Books

Introduction. The Internet Modern History Sourcebook is one of series of history primary sourcebooks. It is intended to serve the needs of teachers and students in college survey courses in modern European history and American history, as well as in modern Western Civilization and World Cultures.

Internet History Sourcebooks

I always come back my trips to Europe wanting to take a European history course but since the local community college isn't offering any & I'm not going to pay \$800+ per credit anywhere else, I figure a used book a bought from Amazon for a few bucks is a great alternative. 50 pages in I've already covered the Middle Ages through the Italian and Northern Renaissance and the Protestant Reformation.

A Survey of Modern European History. This project discovers the history of Modern Europe, starting at the Hundred Years War and ending at the present time. A chronological perspective of history is attempted within this text. Although this is the case, it is also important to understand patterns within European History, therefore chapters will attempt to cover a breadth of material even though their titles might be that of a specific pattern in history rather than a time period.
