Dove Award–Winning artist says, “You can still trust Him.” Beloved worship leader Don Moen offers comfort to those wondering where God is when life is hard. At some point, most of us will face a seemingly insurmountable situation—the death of a loved one, the loss of a job, an unexpected divorce, or a poor report from the doctor. It is at these very times, Don asserts, that God has not forgotten us. In *God Will Make a Way*—the same title as his popular worship song—Don explains that God is always working in ways we cannot see to bring hope and healing to his children. For some, their wounds are self-inflicted. They may think they’ve gone too far and are now merely damaged goods. Don flips that thought on its head, insisting we serve a God of second chances and no one is too far from his reach. Through heartfelt stories and hope-filled Scripture verses, “Papa Don,” as he’s called by many, weaves a blanket of gentle comfort for readers looking for answers. He has learned to lean on God’s promises in good times as well as bad. *God Will Make a Way* is a message for the worldwide church that the God who saved Moses and the panicked children of Israel at the Red Sea is the same God we serve today—and nothing is too difficult for him.

In this best-selling, award-winning book, now in paperback, Drs. Cloud and Townsend introduce eight persuasive principles that demonstrate how God enters both the heart-breaking situation and the life looking for more. These principles are applied to readers' lives so that their relationships will be better, they'll have more control over their lives, and their spiritual hunger will be satisfied.

Terry Rush writes not as a casual observer but as an active participant with those who have been struck by the hauntings of heartache. In *God Will Make a Way*, Rush tells his own story and the true stories of others, who were dealt devastating blows but trusted an unseen God to lead them on an unknown road to the comfort and assurance that they so desperately sought. We all eventually face an event or circumstance that leaves us anxiously looking for a way through. Every human plan falls short, every mental search leads nowhere, until finally, all hope is gone. Even when there seems to be no way, the pages of this book reveal that God will make a way. In this book you will discover: How to gain a sense of control in the midst of chaos God's prescription for pain How to view hurt as your enemy rather than your enemy How to control the event that has victimized you How God supports you in your pain How to go beyond surviving your pain

As an African-American woman born to an unmarried teenager in Texas during the days of segregation, Thelma Wells learned her early lessons in life through hardship, oppression, and personal loss. Her great-grandmother raised her to persevere against overwhelming odds with the continual reassurance, "God will make a way, Thelma". And indeed He did, as Thelma earned a bachelor's degree, rose to leadership in the banking industry, and launched her own business. *God Will Make A Way* inspires readers to cling to God's faithfulness by affirming the many ways in which He keeps His word in everyday circumstances.

A desire to know the will of God is, as it should be, the top priority of any serious Christian. But how are you to find out what God's will is? Who hasn't agonized, questioned, and then doubted and questioned again? But here is Danny Morris to the rescue with an eight-week workbook on knowing God's will. Each week's exercise begins with an account of a personal experience of the author from which he brings forth biblical, theological, and historical principles to help you in your search. As you respond, God's will is certain to become clearer. During the first five weeks, you will learn about the nature of spiritual discernment, discernment for the individual, spiritual intuition, ways in which

God communicates with believers, and discernment as a spiritual gift. In the second part, the author shifts his focus to corporate discernment; that is, discernment within and for the church, the body of Christ. At issue here is consensus: how consensus is possible, why it is difficult, and how it works in church boards and committees. Danny Morris insists that consensus is not only biblical but practical, despite skepticism on the part of those whose experience would lead them to believe that disagreement is a way of life in church. Some maintain that consensus would never work in their congregation. But the author points the way to diminish and eventually eliminate such conflict. The third part of the workbook details a workable plan for church retreat, a time away from phones and schedules, where your group will learn how to make decisions by consensus, by group discernment of the will of God for the congregation. What better way to help move forward the work of God?

Should you take the job? Quit the job? Begin a relationship? End a relationship? Move? Plant roots? How do we find God's will for life's big decisions? What if you had total freedom? Emerson Eggerichs believes there is a clear answer to finding God's will. The Bible itself reveals the clue--a secret hidden in plain sight. Before launching his Love & Respect marriage ministry with wife Sarah, Emerson was a senior pastor for nearly 20 years in East Lansing Michigan. Before that, Emerson and a friend ran a free counseling center called "The Open Door" in Cedar Rapids, Iowa. As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted. Immersing himself in God's word for over 30 hours a week for 19 years, he discovered simple, clear truths that set him and many others free. There is a starting point to discovering God's Will for your next decision and for your entire life. Begin here to read stories of people in the same situations you face today. You'll be able to discover the freedom you've been searching for, and then, like Emerson, you'll help others find that freedom too.
