class, and the leading scorer on his basketball team. But all that changed when chicken pox forced him to miss the championship game. Things went from bad to worse when he got pneumonia and missed even more school. Before Jimmy knew it, his grades were sinking and nothing seemed to be going right. How did Jimmy turn things around, get back on top at school, and land a date with the cutest girl in class? Renowned comics creator Jimmy Gownley shares his adventures as he grows from an eager-to-please boy into a teenage comic book artist. This is the real-life story

of how the DUMBEST idea ever became the BEST thing that ever happened to him.

From the author of the Agatha Raisin television series...DEATH OF A CHIMNEY SWEEP: A Hamish Macbeth MysteryIn the south of Scotland, residents get their chimneys vacuum-cleaned. But in the isolated villages in the very north of Scotland, the villagers rely on the services of the itinerant sweep, Pete Ray, and his old-fashioned brushes. Pete is always able to find work in the Scottish highlands, until one day when Police Constable Hamish Macbeth notices blood

dripping onto the floor of a villager's fireplace, and a dead body stuffed inside the chimney. The entire town of Lochdubh is certain Pete is the culprit, but Hamish doesn't believe that the affable chimney sweep is capable of committing murder. Then Pete's body is found on the Scottish moors, and the mystery deepens. Once again, it's up to Hamish to discover who's responsible for the dirty deed--and this time, the murderer may be closer than he realizes.

Following the familiar, easy-to-use at a Glance format, OSCEs at a Glance 2nd

laundry fills her apartment. Plus, she barely has time to help her sister and best friend with their weddings! And even worse? Something is definitely wrong between her and Tyler. She apologized for what he thought he saw happen with Luke. Can't they move past it? Or could there be something he's not telling her—something that could change everything? This is the third and final book in the Paige Alder series.

A surfer, photojournalist, and author describes his two-year odyssey from Mexico to Central America to search for his missing long-time

friend and surfing companion, Christopher Conner, and his bizarre adventures along the way.

Since childhood, homicide detective Michael Bennett has been cursed with the ability to converse with the 'immediate dead'. This ability has given him access to the most important witness at every murder scene; the victim. Nicknamed The Reaper by his colleagues, and isolated by his gift, Bennett prefers to work alone. When Sandy Cooper becomes the newest in a long string of partners assigned to Bennett, she quickly realizes there's

something very different about him. When doctors begin dying in brutal fashion, the unlikely partners must overcome not only their differences, but their pasts to stop a killer out for revenge.

Information risk management (IRM) is about identifying, assessing and prioritising risks to keep information secure and available. This accessible book is a practical guide to understanding the principles of IRM and developing a strategic approach to an IRM programme. It also includes a chapter on applying IRM in the public sector. It is the

This Roman play is one of Shakespeare's last tragedies, best known for its political and military themes. Its hero, Coriolanus, is a proud General who does not hesitate to show his arrogant and outspoken contempt of the Roman rabble. The Tribunes banish him and he raises an army to take his revenge on Rome. He finally concedes to the pleas of his mother to spare the city and leaves only to be publicly killed by his former allies. Peter Holland

Jackssmallengineparts

is a former Director of the Shakespeare Institute in Stratford-upon-Avon and President of the Shakespeare Association of America. He is a pre-eminent international scholar. His comprehensive introduction and commentary notes open up the language, themes and ideas in this complex yet richly rewarding play for the student and teacher. The play is discussed in its historical and critical contexts and its theatrical history is analysed too.

Forty-five cases provide a comprehensive review of the treatment of orthopaedic injuries Case Files:
