The Longman Anthology of Old English, Old Icelandic and Anglo-Norman Literatures provides a scholarly and accessible introduction to the literature which was the inspiration for many of the heroes of modern popular culture, from The Lord of the Rings to The Chronicles of Narnia, and which set the foundations of the English language and its literature as we know it today. Edited, translated and annotated by the editors of Beowulf and Other Stories, the anthology introduces readers to the rich and varied literature of Britain, Scandinavia and France of the period in and around the Viking Age. Ranging from the Old English epic Beowulf through to the Anglo-Norman texts which heralded the transition Middle English, thematically organised chapters present elegies, eulogies,

laments and followed by material on the Viking Wars in the Anglo-Saxon Chronicle, Vikings gods and Icelandic sagas, and a final chapter on early chivalry introduces the new themes and forms which led to Middle English literature, including Arthurian Romances and Chaucer's Canterbury Tales. Laying out in parallel text format selections from the most important Old English, Old Icelandic and Anglo-Norman works, this anthology presents translated and annotated texts with useful bibliographic references, prefaced by a headnote providing useful background and explanation.

poetic tradition with a wide range of contemporary works, thematic casebooks, and engaging essays that contextualize poetry century by century. Featuring a breathtaking scope of poetry from the English-speaking world, this diverse collection brings unparalleled historical and cultural background to the study of poetry including discussions of the poetic conventions of the time and the poetic "fingerprints" of particular poets. Introductions by respected scholars provide historical context and thematic casebooks provide insight into key literary movements to demonstrate to students how to write effectively about poetry.
