From the **#1** New York Times best-selling author of Travel Team, Heat and Million Dollar Throw comes a cheer-worthy, family-friendly novel about 14-year-old Jake Cullen, who lives in the shadows of his father and older brother until he becomes the starting quarterback for the high school football team and finally gets his chance to shine.

Inspired by the real-life Manning family of quarterbacks (father Archie, Super Bowl-winning sons Peyton and Eli), bestselling author Lupica tells the story of 14-year-old Jake Cullen, lives in the Texas-sized shadows of his father and older brother until he becomes the starting quarterback for the high school football team and finally has his chance to shine.

From **#1** New York Times bestselling author of TRAVEL TEAM, HEAT, and MILLION-DOLLAR THROW comes a cheer-worthy, family-friendly football novel set amid the Friday Night Lights world of Texas high school football. Jake Cullen is a freshman quarterback playing high school football in the high-pressure land of Friday Night Lights (Texas). He is also the brother of Wyatt Cullen, who quarterbacked his team to the Texas State Championship last season--not to mention the son of former NFL quarterback and local legend, Troy Cullen. To be a Cullen in Texas is to be royalty . . . and a quarterback. All of which leaves 14-year-old Jake in a Texas-sized shadow, a tall order for any boy, especially one who's merely a freshman. While his teammates assume the starting job will be handed to Jake on a silver platter, the truth is that he has to fight for every snap and every ounce of respect. Jake may be a Cullen and he may play quarterback, but he is not his brother or his father. Being a good teammate comes naturally to Jake; being a winner and a celebrity does not. He's just like every other boy--awkward around a pretty girl, in awe of his famous family, and desperate to simultaneously blend in and cast his own shadow. Inspired by the real-life Manning family of quarterbacks (father Archie, Super Bowl-winning sons Peyton and Eli) and set amid the football-crazy culture of Texas immortalized in Friday Night Lights, QB 1 is a coming-of-age story perfect for the fan of MILLION-DOLLAR THROW, HEAT, and of course FRIDAY NIGHT LIGHTS. "This is a wonderful book by a great writer. All football fathers and sons will enjoy it."--Archie Manning

Eighth-grade star quarterback Nate Brodie is frantic to win a million dollars by completing a pass during the halftime of a New England Patriot's game to help his family and his best friend Abby who is going blind.

The **#1** Bestseller! Twelve-year-old Danny Walker may be the smallest kid on the basketball court -- but don't tell him that. Because no one plays with more heart or court sense. But none of that matters when he is cut from his local travel team, the very same team his father led to national prominence as a boy. Danny's father, still smarting from his own troubles, knows Danny isn't the only kid who was cut for the wrong reason, and together, this washed-up former player and a bunch of never-say-die kids prove that the heart simply cannot be measured. For fans of The Bad News Bears, Hoosiers, the Mighty Ducks, and Mike Lupica's other New York Times bestselling novels Heat, The Underdogs, and Million-Dollar Throw, here is a book that proves that when the game knocks you down, champions stand tall.

From the **#1** bestselling author of Heat, Travel Team and Million-Dollar Throw comes a story of every football kid's dream come true. 12-year-old Charlie is a fantasy football guru. He may be just a bench warmer for his school's football team, but when it comes to knowing and loving the game, he's first-string. He even becomes a celebrity when his podcast gets noticed by a sports radio host, who plays Charlie's fantasy picks for all of Los Angeles to hear. Soon Charlie befriends the elderly owner of the L.A. Bulldogs -- a fictional NFL team -- and convinces him to take a chance on an aging quarterback. After that, watch out. . . it's press conferences and national fame as Charlie becomes a media curiosity and source of conflict for the Bulldogs general manager, whose job Charlie seems to have taken. It's all a bit much for a kid just trying to stay on top of his grades and maintain his friendship with his verbal sparring partner, Anna. Like the best Disney film in book form, like Moneyball for kids, Fantasy League is every football kid's dream scenario. Praise for FANTASY LEAGUE: * "This Moneyball story with kids is on the money."--Booklist, starred review "The feel good book of the year."--VOYA "Readers will be alternately cheering and reaching for a tissue during the final playoff-deciding game for the Bulldogs. This will be devoured by young football fans."--School Library Journal

The sequel to the **#1** New York Times bestseller Travel Team! When you're the smallest kid playing a big man's game, the challenges never stop--especially when your name is Danny Walker. Leading your travel team to the national championship may seem like a dream come true, but for Danny, being at the top just means the competition tries that much harder to knock him off. Now Danny's leaving Middletown for the summer and heading to Right Way basketball camp, where he's out of his element and maybe out of his league. The country's best ballers are in attendance, and Danny will need to raise his game if he wants to match up. But it won't be easy. Old rivals and new battles leave Danny wondering if he really has what it takes to stand tall. "Lupica is at his best when he puts the reader right in the center of the action on the court. His game descriptions are fast, accurate, and exciting. Young sports-fiction fans will eat this up." --Booklist "Sports fans will relish the on-court action, expertly rendered in Lupica's taut prose. This worthy sequel to Travel Team should earn a wide audience." --School Library Journal "Lupica knows his basketball and knows how to spin a page-turner of a story. Those who enjoyed the first installment of Danny's story will be thrilled to read a sequel, and even those middle school readers who are not huge sports fans will want to cheer for Danny Walker, who proves that determination can be a whole lot bigger than height." --VOYA

From the **#1** New York Times bestseller Mike Lupica comes the story of one unsuspecting boy poised to follow in his superhero father's footsteps Fourteen-year-old Billy Harriman can feel the changes. The sharpening of his senses. The incredible strength. The speed, as though he can textmessage himself across miles. The confidence and the strange need to patrol Central Park at night. His dad had been a hero, a savior to America and a confidante of the president. Then he died, and the changes began in Billy. What Billy never knew was that his father was no ordinary man--he was a superhero, battling the world's evil. This is a battle that has been waged for generations and that knows no boundaries. And now it's Billy's turn to take on the fight. It's Billy's turn to become a hero. "[N]othing Mike Lupica has written will thrill you like this." --William Goldman, author of The Princess Bride "Sportswriter and novelist Lupica offers a change of pace from his previous sports stories for younger readers, deftly reworking the traditional superhero origin story into a moving tale of adolescent growth." --Publisher's Weekly "[T]he stage is set for a sequel to what looks like a surefire hit." --School Library Journal

Cassie must learn that you can't "fix" someone else after a girl with Aspergers joins her softball team in the fourth and final book of the Home Team series from New York Times bestselling author and sports-writing legend Mike Lupica. Cassie Bennett is great at being in charge. She always knows what to do to lead her teams to victory, keep her many groups of friends together, or fix any problem that comes her way. So when Sarah Milligan, an autistic girl with unreal softball skills, joins Cassie's team, Cassie's sure she can help her fit in with the team. But before long it's obvious that being around so many people is really hard for Sarah, and the more Cassie tries to reach out and involve her, the more Sarah pushes her away, sometimes literally. It doesn't help that Cassie's teammates aren't as interested in helping Sarah as they are in making sure they make it to the new softball All-Star Tournament that'll be televised just like the Little League World Series. Soon no one besides Cassie seems to even want Sarah on the team anymore, and the harder Cassie tries to bring everyone together, the worse things seem to get. Cassie Bennett never backs down from a challenge, but can she realize that maybe the challenge isn't fixing a problem in someone else, but in herself? Or will her stubbornness lead her to lose more than just softball games?
