Cultural commentator John Strausbaugh's *The Village* is the first complete history of Greenwich Village, the prodigiously influential and infamous New York City neighborhood. From the Dutch settlers and Washington Square patricians, to the Triangle Shirtwaist fire and Prohibition-era speakeasies; from Abstract Expressionism and beatniks, to Stonewall and AIDS, the connecting narratives of *The Village* tell the story of America itself. Illustrated with historic black-and-white photographs, *The Village* features lively, well-researched profiles of many of the people who made Greenwich Village famous, including Thomas Paine, Walt Whitman, Edna St. Vincent Millay, Mark Twain, Margaret Sanger, Eugene O' Neill, Marcel Duchamp, Upton Sinclair, Willa Cather, Jack Kerouac, Allen Ginsberg, Jackson Pollock, Anais Nin, Edward Albee, Charlie Parker, W. H. Auden, Woody Guthrie, James Baldwin, Maurice Sendak, E. E. Cummings, and Bob Dylan.

Taking material from Ms. Heime's *Sex Tips for Girls*, she has created a play where Cynthia and her friends Cleo and Rita talk about the facts of life for the contemporary heterosexual woman.

"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?"

The Gravity Between Us is a daring, romantic, emotional story about friendship, love, and finding the courage to be yourself in a crazy world. New Adult novel: recommended for 17+ due to mature themes and sexual content. "It's like there's gravity between us, like she's the only thing anchoring me to the world, keeping me from floating off into the upper stratosphere and being lost in space. I can't risk losing her." Where does friendship stop and love begin? At just 19, Kendall Bettencourt is Hollywood's hottest young starlet with the world at her feet - but behind the glamour and designer dresses is a girl who longs for normal. Payton Taylor is Kendall's best friend since childhood, and the one person who reminds her of who she really is - her refuge from the craziness of celebrity life. With her career taking off, Kendall moves Payton to LA to help keep her sane. But Payton is hiding a secret that could make everything ten times worse. Because to her, Kendall is more than a best friend - she is the only girl that she has ever loved. Just as they need each other more than ever, they'll have to answer the question of where friendship stops and love begins? And find out whether the feelings they have can survive the mounting pressure of fame...

Leverage the flexibility and power of SAP MII to integrate your business operations with your manufacturing processes. You'll explore important new features of the product and see how to apply best practices to connect all the stakeholders in your business. This book starts with an overview of SAP's manufacturing integration and intelligence application and explains why it is so important. You'll then see how it is applied in various manufacturing sectors. The biggest challenge in manufacturing industries is to reduce the manual work and human intervention so that the process becomes automatic. SAP MII explains how to bridge the gap between management and production and bring sound vital information to the shop floor in real time. With this book you'll see how to ensure existing manufacturing and information systems share a common interface for all users in your enterprise. What You'll Learn Understand the functional aspects of SAP MII Implement SAP MII in different Manufacturing sectors Explore new technical features of SAP MII 12.x Integrate scenarios with SAP MII Discover practice guidelines Who This Book is for All levels of SAP manufacturing professionals.

The Dawn of the Arab Uprising sheds light on the historical background and initial impact of the mass uprisings which have shaken the Arab world since December 2010. The book brings together the best writers from the online journal *Jadaliyya*, which has established itself as an unparalleled source of information and critical analysis on the Middle East. The authors, many of whom live in the countries affected, provide unique understanding and first-hand accounts of events that have received superficial and partial coverage in Western and Arab media alike. While the book focuses on those states that have been most affected by the uprisings it also covers the impact on Jordan, Saudi Arabia, Lebanon, Palestine, and Iraq. *The Dawn of the Arab Uprising* covers the full range of issues involved in these historic events, from political economy and the role of social media, to international politics, gender, labor, and the impact on culture, making this the ideal one-stop introduction to the events for the novice and specialist alike.

Afraid of her foster father's advances, fifteen-year-old Sylvia flees and is aided by Walter and Vic who have different motives for helping her.
