And Reedrek will stop at nothing until all that is precious to William—his beautiful mistress, his stable of willing female victims, his glorious estates,

A lovely collection of essays by the NPR commentator about his beloved adopted city, both before and after Hurricane Katrina (Publishers Weekly). NPR commentator Andrei Codrescu has long written about the unique city he calls home. How apt that a refugee born in

underbelly of  
corruption, warning

Alas, as we all now
