The Barrowfields is a richly textured, deeply transporting novel that traces the fates and ambitions of a father and son across the decades, centered in the small Appalachian town that simultaneously defines them and drives them both away. Just before Henry Aster ' s birth, his father—outsized literary ambition and pregnant wife in tow—reluctantly returns to the remote North Carolina town in which he was raised and installs his young family in an immense house of iron and glass perched ...

THE BARROWFIELDS. by Phillip Lewis

RELEASE DATE: March 7, 2017.

Amid family tragedy, a young man flees the peculiar home of his youth only to return years later. Thomas Wolfe may have warned that “ you can ’ t go home again, ” but the Asters of Old Buckram, North Carolina, apparently didn ’ t get the message. The narrator ’ s father, Henry, is a strange fit for this

“ achromatic town high in the belly of the Appalachian Mountains. ” .

home of Celtic F.C., which lies immediately to the east. It is bounded by the A89 road (Gallowgate) to the north and the A74 (London Road) to the south.

~~Barrowfield~~ - Wikipedia

Thomas Wolfe noted that mountain people were death obsessed, and Phillip Lewis ' s haunting novel *The Barrowfields* adds further evidence to that claim. This story features a son who is desperately trying not to follow his father ' s path of darkness, while simultaneously indulging some of darkness ' s more irresistible charms, especially in the forms of music, literature, and alcohol.

The Barrowfields is part coming-of-age story, part homecoming and part exploration of unfulfilled dreams. The

setting seems both nostalgically old-fashioned and richly immediate. Lewis writes with warmth, depth and honesty about the regrets of fathers and sons and the inexorable pull of home.

~~Book Review - The Barrowfields by Phillip Lewis | BookPage~~

Barrow Fields is a small trader outpost between Darkwood and Oakvale in Fable, Fable: The Lost Chapters, and Fable Anniversary . The camp is defended by a small number of guards, and has multiple fishing spots. There is a Demon Door who requests you to be "plump and porcine" to enter it.

This debut novel is built around a house, an old, gothic, iron-and-glass structure far up in the Appalachian Mountains. The house seems to have a dreary past that

haunts its new residents, the family of Henry Aster. His father, an aspiring author, grew up in these same hardscrabble mountains but unlike everyone else always had a book in hand.

~~The Barrowfields (Book) | Contra Costa County Library ...~~

“ The Barrowfields is a stunning debut novel rich in character and place, steeped in literature and music, and fraught with family drama. . . . With clear echoes of Poe and Wolfe, The Barrowfields also gives a nod to Richard Russo by reflecting an appreciation for the eccentricities of regional characters. ”
