Viking (A Real Man, 9) She'll be his greatest conquest. INGRID. I should have been afraid of him, the brutal man with the violence covering him and blood on his face. But he'd saved me from a fate worse than death. He was a Viking, a man who took what he wanted because he could, because no one dared to cross him, to go against him.

She'll be his greatest conquest. INGRID I should have been afraid of him, the brutal man with the violence covering him and blood on his face. But he'd saved me from a fate worse than death. He was a Viking, a man who took what he wanted because he could, because no one dared to cross him, to go against him. And he claimed me. I was his now, and I didn't want to fight that. GUNNAR From the moment I saw Ingrid I knew I wanted her as mine, as my wife, the future mother of my children. I'll go to any lengths to keep her by my side, to make her see I'm not letting her go. I may give her the option to leave, to find her own way, but the truth is I would follow her to the ends of the earth to keep her close. I'm a Viking, a savage, dangerous and violent. I don't give up when I see something I want. I've been searching for Ingrid my whole life; I just didn't realize it until I looked into her blue eyes. She will be mine. No matter what. Warning: Hope you like your men filthy, brutal, and willing to slay for the woman he's claimed, because in this story you're getting it all and then some. It's dirty, totally unbelievable, and probably holds no real historical facts, but it's fun and hot and hits the right spot. It is what it is, so hang on and enjoy the ride.

This essay collection is a wide-ranging exploration of Vikings, the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy. From a range of critical viewpoints, these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show's richly textured dramatization of the rise and fall of Ragnar Loobrok--and the exploits of his heirs--creating what many viewers label a "true" representation of the age. From the show's sources in both saga literature and Victorian revival, to its engagement with contemporary concerns regarding gender, race and identity, via setting, sex, society and more, this first book-length study of the History Channel series appeals to fans of the show, Viking enthusiasts, and anyone with an interest in medievalist representation in the 21st century.

Herein are 9 most popular Myths and Legends from Scandinavian mythology translated and retold by sisters Annie & Eliza Keary and illustrated by Huard of New York. Much has been said and written about the wonder and majesty of Norse mythology. Next to the bible it is the culture most of the peoples of the Northern hemisphere know and identify with. After all the Vikings ranged from Greenland in the West, to Byzantium (Turkey) and Egypt in the East and all lands in between. It is believed that a few Vikings even made it as far as ancient Samarkand and Bactria on the Silk Road. The myths and legends in this volume cover: \* The Æsir \* How Thor Went to Jötunheim \* Frey \* The Wanderings of Freyja \* Id'na's Apples \* Baldur \* The Binding of Fenrir \* The Punishment of Loki; and \* Ragnarök, or, The Twilight of the Gods This volume was considered to be so groundbreaking at the time that it was published twice and other illustrators also published their own editions with their own artworks. Many of the Viking and Norse mythology books which followed used this volume as a template for the newer works. 10% of the net sale will be donated to charities by the publisher. ===== KEYWORDS/TAGS: Heroes of Asgard, Odin, Thor, Æsir, Loki, earth, Baldur, giant, Freyja, Asgard, Frey, Jötunheim, Id'na, Fenrir, beautiful, Frigga, Tyr, men, golden, Skirnir, deities, Odur, Norse, Viking, Myths, mythology, Legends, , heart, bright, Hermod, sun, Heimdall, elves, Hela, Alhheim. Viking raiders destroyed Wilda's home. She witnessed the murder of her mother and would have been killed herself if it weren't for the Viking boy Einar, who saved her from his ruthless brother. The blood and murder left Wilda cold and shorn of feeling. Eight years later, the heathens return for Wilda. As a captive in the Viking village, she finds protection and silent comfort in the man who once gallantly saved her. Einar has been cursed to silence by his brother. With the dark net of his brother's power cast over their village, silence is a small price to pay for his family's safety. But Einar is immediately drawn to Wilda, and the need to protect her from his brother awakens his Viking courage. Can Einar break his brother's curse in time to save the village and the woman he loves? 69,000 words

In The Mother And The Manager Elizabeth Ralston courageously explores how our traditional gender roles create codependent behaviors in men and women and offers positive, workable solutions toward dealing with this problem. The Mother And The Manager takes an in-depth look at how our society has evolved and impacted gender roles into the twenty-first century. As 12-Step recovery groups have flourished in recent years, women have been educated about why they have issues such as low self-esteem, perfectionism, rigidity, relationship failures, inability to get their needs met and fear of conflict. Elizabeth has bravely shared about how patriarchy has impacted her life and how recovery has helped her to empower and heal herself. She will help many who are searching for answers to their questions and will help them on the road to recovery. I salute her ability to face her fears about "rocking the boat" in writing this book and taking the risk to speak her truth and stay on her God-inspired path." Ginger S. Edwards, Licensed Professional Counselor, Licensed Addictions Specialist Specializing in Codependency and Trauma

Presents the history of Viking expansion, discussing the people and the lands they settled.
