**#1 NEW YORK TIMES BESTSELLER •** From the author of the runaway phenomenon *Unbroken* comes a universal underdog story about the horse who came out of nowhere to become a legend. Seabiscuit was one of the most electrifying and popular attractions in sports history and the single biggest newsmaker in the world in 1938, receiving more coverage than FDR, Hitler, or Mussolini. But his success was a surprise to the racing establishment, which had written off the crooked-legged racehorse with the sad tail. Three men changed Seabiscuit's fortunes: Charles Howard was a onetime bicycle repairman who introduced the automobile to the western United States and became an overnight millionaire. When he needed a trainer for his new racehorses, he hired Tom Smith, a mysterious mustang breaker from the Colorado plains. Smith urged Howard to buy Seabiscuit for a bargain-basement price, then hired as his jockey Red Pollard, a failed boxer who was blind in one eye, half-crippled, and prone to quoting passages from Ralph Waldo Emerson. Over four years, these unlikely partners survived a phenomenal run of bad fortune, conspiracy, and severe injury to transform Seabiscuit from a neurotic, pathologically indolent also-ran into an American sports icon.

During the Great Depression, Seabiscuit captured the hearts of Americans from the streets to the White House, winning more money than any horse at that time and shattering speed records across the country. Moving and inspirational, "Come on Seabiscuit!" is a reminder of the qualities that make a real American champion.

Award-winning nonfiction picture book creator Meghan McCarthy tells the story of how an undersized, crooked-legged horse became one of the greatest racing champions of all time. In the late 1930s, times were tough. The United States was in the middle of the Great Depression, and people were desperate for something to believe in. They found their inspiration in Seabiscuit, a rags-to-riches, crooked-legged, overweight horse who ran more like a duck than a champion. Seabiscuit was the descendent of Man O' War, one of the greatest racing horses in history but he had yet to win a single race. How did this downtrodden horse come to rise through the ranks and face off against Triple Crown champion, War Admiral? In her trademark easy-to-follow narrative voice, Meghan McCarthy brings the ultimate underdog story to life in this fact-filled picture book.

Documents the life story of a record-breaking champion horse whose disabilities nearly caused his euthanasia at birth, in an account that also describes the contributions of his shopkeeper owner and alcoholic driver. 50,000 first printing.

An introduction to the life and career of Seabiscuit, the race horse who set sixteen track records and won more prize money than any other horse.

"'Secretariat' is an elegantly crafted, exhilarating tale of speed and power, grace and greatness, told with such immediacy that the reader is lost in the rush of horses and the clatter and ring of the grandstand." --Laura Hillenbrand, bestselling author of "Seabiscuit" Updated with a new preface by the author In 1973, Secretariat, the greatest champion in horse-racing history, won the Triple Crown. The only horse to ever grace the covers of "Time," "Newsweek," and "Sports Illustrated" in the same week, he also still holds the record for the fastest times in both the Kentucky Derby and the Belmont Stakes. He was also the only non-human chosen as one of ESPN's "50 Greatest Athletes of the Century." The tale of "Big Red" is an enduring and inspiring classic, more than thirty years after its initial publication.

Seabiscuit: The Saga of a Great Champion is the first complete story of the legendary thoroughbred who captured the heart of a nation. Noted track writer B. K. Beckwith called Seabiscuit's career a saga because, like a Greek myth or beloved fairy tale, it is the tale of a forgotten, abused animal who was rescued, fought his way to the top of horse racing, stumbled, and then returned for a spectacular victory. First published in 1940, when Seabiscuit and all the major characters were alive, its pages sparkle with stories about the great horse: the moment when trainer Tom Smith noticed the emaciated bay in a cheap claims race at Saratoga Springs, the events that led Charles Howard to take a chance and buy the "raced-

out” three-year old colt with bad legs, and the exhilarating accounts from jockeys Red Pollard and George “Iceman’ Woolf of Seabiscuit’s trademark bursts of speed. Under Smith’s training and care, Seabiscuit would defeat the Triple Crown champion, War Admiral, by four lengths in the most famous match race in history. Featuring period photographs and specially commissioned artwork by Howard Brodie, *Seabiscuit: The Saga of a Great Champion* follows the thoroughbred’s illustrious career, from his humble birth in Kentucky to his remarkable string of races across the country from 1936 to 1940, and culminating in his stunning victory at Santa Anita, a moment that confirmed Seabiscuit as one of the greatest racehorses of all time. “His courage, honesty, and physical prowess definitely place him among the thoroughbred immortals of turf history. He has intelligence and understanding almost spiritual in quality, and all of us who are close to ‘Biscuit’ naturally have the deepest affection for him.”—Charles S. Howard, Owner “Seabiscuit is the greatest horse I ever rode.”—George Woolf, Hall of Fame Jockey

Did you ever wonder what became of the principle characters after the conclusion of the *Seabiscuit* book and movie? *Seabiscuit, The Rest of the Story*, by Bill Nichols, answers that question. It takes the reader on a journey through the rest of the lives of Red Pollard, Charles and Marcela Howard, War Admiral, Tom Smith, George Woolf and the legendary champion Seabiscuit. Additional chapters deal with the descendants of Seabiscuit, the movie, author Laura Hillenbrand, artists who portrayed Seabiscuit, jockeys and Ridgewood Ranch, home of the champion. The author is one of the few surviving people who had a personal connection with the great Seabiscuit and those who were responsible for his success. He worked at Ridgewood Ranch as a teenager. He and his wife of fifty-eight years, Lillian, are the parents of two, Bob and Kathy. The Nichols own and operate Mares' Nest, a well-known Thoroughbred breeding farm in northern California and they are co-breeders of Seabiscuit's most successful racing descendant, Sea Orbit. Bill is on the Board of Directors of The Seabiscuit Heritage Foundation as well as The California Thoroughbred Breeder's Association. His book *Seabiscuit, The Rest of the Story*, has been described as a 'historically essential book.'
