New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

From Mary Blayney, the acclaimed author of Stranger ' s Kiss, comes this irresistible new novel of historical romance featuring the Penniston family. In Courtesan ' s Kiss, an independent woman is determined to make her way in the world—even if it ' s a scandalous one. But first she must escape a nobleman with plans of his own In the wake of a broken engagement and shunned by the ton, Mia Castellano does not retire to the country, as a proper young lady might, but sees her chance to escape society ' s restraints—by becoming a courtesan. In her mind, no unmarried young woman is as free as a courtesan. She alone controls her destiny: managing her own money, having her own house, choosing her lovers. There ' s only one obstacle in Mia ' s path—Lord David Penniston. As a favor to his brother, Lord David agrees to escort Mia to his family ' s home in Derbyshire, where her guardian awaits. Mia attracts nothing but trouble from the outset of their journey, yet with every adventure they share, Lord David ' s desire for his charge grows. When they ' re caught in a compromising situation, Lord David insists that she marry him. But there ' s only one thing Mia wants from David, and it isn ' t his charity or his title. Can he convince her before it ' s too late that the love she wants is already hers—to take or to lose forever? Can he win more from this untamed beauty than just a courtesan ' s kiss?

The time when "fashion" was defined by French designers whose clothes could be afforded only by elite has ended. Now designers take their cues from mainstream consumers and creativity is channeled more into mass-marketing clothes than into designing them. Indeed, one need look no further than the Gap to see proof of this. In The End of Fashion, Wall Street Journal, reporter Teri Agins astutely explores this seminal change, laying bare all aspects of the fashion industry from manufacturing, retailing, anmd licensing to image making and financing. Here as well are fascinating insider vignettes that show Donna Karan fighting with financiers, the rivalry between Ralph Lauren and Tommy Hilfiger, and the commitment to haute couture that sent Isaac Mizrahi's business spiraling.
